# SENIORS CARD

## NT Seniors Card e-Newsletter: Issue 5, April 2020

# From the CEO

Dear Seniors Card members,

We find ourselves in uncharted waters with the coronavirus pandemic and like everyone in the Territory, and around the world, we are responding to the crisis as best we can.

In this edition we will be concentrating on information for seniors about coronavirus, where you can get information, activities and resources to help those at home in isolation and much more. Please visit our [NT Seniors Card](#) and [COTA NT Facebook](#) pages for the most up to date information.

The NT Seniors Card office is open at COTA NT headquarters from 9am to 3pm, Mondays to Fridays. We do prefer that you contact us by phone or email. However, if you require a seniors card urgently you can arrange collection from Spillett House.

We have postponed the printing of the 2020 Discount Directory for the time being. We are hoping that all businesses will be signed up by May and that the design and printing of the directory can happen in June. In the meantime we are promoting those Territory businesses that are still operating through our [facebook page](#) and our [online directory](#).

Kind regards  
Sue Shearer  
CEO COTA NT

If you're a vulnerable customer, you can access groceries in four ways:

- Ask a friend, neighbour or family member to shop for you, or check if your local store has a Community Hour dedicated to the elderly and those with a disability, and use that time to shop for your needs.
- Register with the National Disability Insurance Scheme or with My Aged Care for access to their services.
- If you've ordered using online services dedicated to vulnerable customers, you can ask a friend, neighbour or family member to pick up your shopping via in-store collection.
- Finally, if the above isn't possible, use the online services dedicated to vulnerable customers to have your order delivered to you at home.
