## CEO's Message

**It is that time of the year again when we release the new NT Seniors Card Business Discount Directory. For the 2023/24 edition, we are also very proud to say that there are 500 businesses listed and offering seniors discounts.**

We encourage seniors to “shop at stores with a door.” This policy plays a major part in supporting local NT businesses and so this year's Directory does not include online only businesses. As we are all aware, local businesses support the community by sponsoring events, seniors and sporting groups. COTA NT's Seniors Card Program Manager, Kim Farrar is always out and about sourcing new discounts and talking to NT businesses to encourage them to join the program. With over 31,000 seniors in the Territory, we have a very loyal demographic for these businesses to tap into.

When we take a moment to mull over the last three years, small businesses are *still* the life force in the business community, and they are *still* facing pressing issues such as the rising cost of living and staff shortages, which make it difficult to continue to deliver their services and products. Despite this, the businesses in our Directory are still offering varying degrees of discount for you. This commitment undoubtedly plays a small part in keeping your costs down and, as we all appreciate, every little bit helps.

Do remember that bus travel is free with your Seniors Card and provides a discount on your Motor Vehicle Registration. If you are travelling interstate, your NT Seniors Card will also be recognised – take the time to check other states' Seniors Card websites to find out where the savings are.

And while most businesses will display their “Seniors Card” sticker, don't be afraid to ask, “*Is your business part of the NT Seniors Card program?*” If you receive a negative answer, ask them why not?

The Directory is available as usual through most electorate offices, libraries, Territory Families, Housing and Communities shopfronts, COTA NT's offices in Darwin and Alice Springs, plus a host of other outlets. We will also be out and about at various shopping centres throughout the year, where a copy of the 2023/24 Business Discount Directory will be available upon request. (It is also published to the NT Seniors Card website, [ntseniorcard.org.au](https://ntseniorcard.org.au)).

Stay safe, take care and on behalf of the COTA NT Board and staff, we look forward to seeing you around the Territory.

# About the Northern Territory Seniors Card

## About NT Seniors Card

The Northern Territory Seniors Card Program was established in 1999 to celebrate and recognise senior Territorians. It is part of an Australia-wide initiative. In the Northern Territory, Seniors Card is managed by Council on the Ageing NT and supported by the Northern Territory Government and private enterprise.

Being a member of Seniors Card gives you access to discounts from participating businesses for a wide range of goods and services.

The Seniors Card program aspires to promote healthy and active lifestyles for its members whilst encouraging support for local Territory businesses.

## Who is Eligible for NT Seniors Card?

To be eligible for a Northern Territory Seniors Card you must be a permanent resident of the Northern Territory and have reached 60 years of age.

Applicants must sign a declaration on the application form stating that they:

- ☒ Are 60 years of age or older.
- ☒ Are a permanent resident of the Northern Territory.
- ☒ Agree to advise Seniors Card if their circumstances change.

## How to Apply...

Apply online at [www.ntsensorscard.org.au](http://www.ntsensorscard.org.au) or complete the NT Seniors Card application form found at libraries, electoral offices, Territory Families shopfronts, seniors' organisations or COTA NT. Call us on freecall **1800 441 489** if you need us to post out an application form to you.

## Where to Use Your NT Seniors Card

NT Seniors Card provides you with discounts at over 400 participating businesses in the Territory and online.

In the Northern Territory, your Seniors Card will also provide you with a \$55 annual discount on your motor vehicle registration and free bus travel on the public transport network in Darwin and Alice Springs.

The most up to date information for businesses where you can get discounts is the online Seniors Card Discount Directory at [www.ntsensorscard.org.au](http://www.ntsensorscard.org.au).

## How to Use Your NT Seniors Card

### For Business Discounts

- Look for the Seniors Card logo or the Seniors Card Welcome Here signs.
- Many businesses will provide a Seniors Card discount even if they are not listed as a business partner, just ask.
- Check the normal price or ask for a quote before asking for the Seniors Card discount. Show your Seniors Card at the time of booking or prior to making a payment.
- If you shop at a business that is not listed as a business partner feel free to suggest they contact us to join the program.

Note: Business partners are not obliged to give a Seniors Card discount once a transaction or service has been completed. If you have difficulties in obtaining discounts from business partners, please contact the Seniors Card office on freecall **1800 441 489**.

### For Bus Travel

- The NT Seniors Card provides all holders with free bus travel on the public network in Darwin and Alice Springs. Simply show your card when you board the bus.

## For Motor Vehicle Registration

- All NT Seniors Card holders receive a \$55 annual discount on their motor vehicle registration. When you receive your Seniors Card, contact your local motor vehicle registration office to provide your Seniors Card number, this will be placed on file and the discount can be applied when you pay your annual registration.

## Interstate and Overseas

- You can use your NT Seniors Card for discounted fares on most interstate public transport in Australia and New Zealand. Every jurisdiction has different rules. Check before you travel.
- Many participating businesses accept Seniors Cards from interstate. However, it is at their discretion and you should always check first. Please see further information on page 6.
- In New Zealand, the Super Gold program is linked to the Australian Seniors Card Program. This means that most businesses will accept Australia Seniors Cards.
- It is worth taking your Seniors Card with you when travelling overseas. It is often accepted by businesses internationally as a matter of goodwill. There is evidence of the card being accepted in Hong Kong, Singapore, USA, Canada and UK.

## Confidentiality of Personal Information

Seniors Card holders can be assured that COTA NT maintains absolute confidentiality with personal information stored on the NT Seniors Card Database. You can view our privacy statement online at [www.ntsensorscard.org.au](http://www.ntsensorscard.org.au) or call us on 1800 441 489 if you have any questions or concerns regarding use of your personal information.

## Your Information to Businesses

COTA NT will never provide your contact information to businesses without your permission.

We may from time to time send information on special offers to members.

## Your Information to Northern Territory Government

The NT Seniors Card membership database is held by the Northern Territory Government. This is to protect members' privacy and ensure that the information is secure.

## Terms and Conditions

The NT Seniors Card is available to permanent NT residents aged 60 years and older. The Seniors Card is for personal use. You can't transfer it to other people, including family members, friends or colleagues. The card is a lifetime card, it does not need to be renewed.

Please make sure you advise the Seniors Card office if your circumstances change, including your contact details and particularly if you move away from the Territory.

The discounts listed in this directory are valid until 30 June 2024. A participating business can withdraw from the program at any time and is therefore not required to provide the listed discount. The website will have the most up to date information. If there is a business listed that no longer provides a discount, please ask them to contact us to have them removed from the program. At the time of the production of this publication, all listed businesses were operating and offering the seniors discount.

## Business Partners

COTA NT acknowledges the support of local businesses in the program and encourages all businesses to consider joining. All businesses that provide a 10% discount or equivalent have a free standard listing in the printed and online directory.

For more information email [seniorscard@cotant.org.au](mailto:seniorscard@cotant.org.au) or phone **1800 441 489**.

## Travelling Interstate?

All Seniors Card members are generally entitled to public transport concessions in capital cities in Australia. The discount provided and the ticketing systems vary in each state and territory so it is best to check with the local public transport provider or the Seniors Card office listed below. Additionally, most business partners will extend their discount to Seniors Card members visiting from other states and territories, simply ask the retailer or service provider if they will accept your NT Seniors Card.

For more information, contact the Seniors Card offices:

# NT Seniors Recognition Scheme

The NT Seniors Recognition Scheme recognises the valuable contribution senior Territorians make to our community through a \$500 prepaid card issued each financial year.

If you are a Northern Territory (NT) resident aged 65 or over, you may be eligible for the NT Seniors Recognition Scheme.

The NT Seniors Recognition Scheme prepaid card can now be used at almost any business. Members have more choice and flexibility when spending their payment, including for groceries, clothing, disability supplies, recreational activities and white goods, and for veterinary, car registration and driver licence costs.

Members of the NT Seniors Recognition Scheme who receive certain Centrelink or Veterans' Affairs benefits may also be eligible for the NT Concession Scheme.

*To find out more about the prepaid card or apply for the scheme:*
