CEO's Message

We can all appreciate that times are challenging. The rising cost of living, increasing fuel prices, and escalating expenses such as insurance, mortgages and rent continue to place pressure on households across the Northern Territory. For many seniors living on fixed incomes, finding ways to make every dollar go further has never been more important.

The NT Seniors Card Discount Directory helps provide some relief by connecting seniors with local businesses that offer valuable discounts and savings. These discounts can make a real difference to everyday expenses while encouraging seniors to support local businesses.

It is important to remember that many businesses, particularly small businesses, are also facing rising costs, including higher wages, rent and operating expenses. By choosing to shop local and support businesses with a shopfront in our communities, we help strengthen the local economy and keep jobs and services in the Territory.

Many of the businesses featured in this directory also support our communities through sponsorship of local sporting clubs, community organisations

and emerging athletes. The support they provide helps create stronger, more connected communities, and in return, our support helps them continue to thrive.

We sincerely thank all of our business partners who advertise in this directory and generously offer discounts to NT Seniors Card holders. Your commitment to supporting older Territorians is greatly appreciated.

For more information about the NT Seniors Card program, please contact COTA NT on (08) 8941 1004 between during office hours (Monday to Friday, 9am to 3pm except public holidays).

See you around the Territory!

Sue Shearer

About the Northern Territory Seniors Card

About NT Seniors Card

The Northern Territory Seniors Card Program was established in 1999 to celebrate and recognise senior Territorians. It is part of an Australia-wide initiative. In the Northern Territory, Seniors Card is managed by COTA NT and supported by the Northern Territory Government and private enterprise.

Being a member of Seniors Card gives you access to discounts from participating businesses for a wide range of goods and services.

The Seniors Card program aims to help NT residents aged 60 or over make savings on everyday living costs, whilst encouraging support for Territory businesses.

Who is Eligible for NT Seniors Card?

To be eligible for a Northern Territory Seniors Card you must be a permanent resident of the Northern Territory and have reached 60 years of age.

Applicants must sign a declaration on the application form stating that they:

- Are 60 years of age or older.
- Are a permanent resident of the Northern Territory.
- Agree to advise Seniors Card if their circumstances change.

Seniors Cards are FREE to all eligible applicants.

How to Apply

Apply online at ntseniorscard.org.au or complete the NT Seniors Card application form available at libraries, electoral offices, Department of

People, Sports and Culture service centres, seniors' organisations or COTA NT. Call us on freecall **1800 441 489** if you need an application form posted to you.

Where to Use Your NT Seniors Card

NT Seniors Card provides you with discounts at nearly 500 participating businesses in the Territory and online.

In the Northern Territory, your Seniors Card will also provide you with a \$55 annual discount on your motor vehicle registration and free bus travel on the public transport network in Darwin and Alice Springs.

The most up-to-date information about where you can get discounts is published to the online Discount Directory, ntseniorscard.org.au/discounts-directory.

How to Use Your NT Seniors Card

For Business Discounts

Look for the Seniors Card logo or the Seniors Card *Welcome Here* signs.

Many businesses will provide a Seniors Card discount even if they are not listed as a business partner, just ask.

Check the normal price or ask for a quote *before* asking for the Seniors Card discount. Show your Seniors Card at the time of booking or prior to making a payment.

If you shop at a business that is not listed as a business partner, feel free to suggest they contact us to join the program.

Note: Business partners are not obliged to give a Seniors Card discount once a transaction or service has been completed. If you have difficulties in obtaining discounts from business partners, please contact the Seniors Card office on freecall **1800 441 489**.

For Bus Travel

The NT Seniors Card provides all holders with free bus travel on the public network in Darwin and Alice Springs. Simply show your card when you board the bus.

For Motor Vehicle Registration

When you receive your NT Seniors Card you can go into your local MVR office to provide your number or you can email them a copy of your scanned Seniors Card along with your driver's licence. This will be placed on file and the discount can be applied when you pay your annual registration.

Interstate and Overseas

You can use your NT Seniors Card for discounted fares on most interstate public transport in Australia and New Zealand. Every jurisdiction has different rules. Check before you travel.

Many participating businesses accept Seniors Cards from interstate. However, it is at their discretion and you should always check first. Please see further information on page 6.

In New Zealand, the Super Gold program is linked to the Australian Seniors Card Program. This means that most businesses will accept Australian Seniors Cards.

It is worth taking your NT Seniors Card with you when travelling overseas. It is often accepted by businesses

internationally as a matter of goodwill. There is evidence of the card being accepted in Hong Kong, Singapore, USA, Canada and the UK.

Confidentiality of Personal Information

NT Seniors Card holders can be assured that COTA NT maintains absolute confidentiality with personal information stored on the NT Seniors Card Database. You can view our privacy statement online at ntsensorscard.org.au or call us on **1800 441 489** if you have any questions or concerns regarding use of your personal information.

Your Information to Businesses

COTA NT will never provide your contact information to businesses without your permission.

We may from time to time send information on special offers to members.

Your Information to Northern Territory Government

The NT Seniors Card membership database is held by the Northern Territory Government. This is to protect members' privacy and ensure that the information is secure.

Terms and Conditions

The NT Seniors Card is available to permanent NT residents aged 60 years and older. The NT Seniors Card is for personal use. It cannot be transferred to other people, including family members, friends or colleagues. The card is a lifetime card, it does not need to be renewed.

Please make sure you advise the Seniors Card office if your circumstances change, including your contact details and particularly if you move away from the Territory.

The discounts listed in this directory are valid until 30 June 2027. However, a participating business can withdraw from the program at any time and is therefore not required to provide the listed discount. The website will have the most up to date information. If there is a business listed that no longer provides a discount, please ask them to contact us to have their listing removed from the program. At the time of publishing, all listed businesses were operating and offering the Seniors Card discount.

Business Partners

COTA NT acknowledges the support of local businesses in the program and

encourages all businesses to consider joining. All businesses that provide a 10% discount or equivalent receive a free standard listing in the printed and online directory. For more information email seniorscard@cotant.org.au or phone **1800 441 489**.

Travelling Interstate

All Seniors Card members are generally entitled to public transport concessions in capital cities in Australia. The discount provided and the ticketing systems vary in each state and territory so it is best to check with the local public transport provider or the Seniors Card office listed on the next page. Additionally, most business partners will extend their discount to Seniors Card members visiting from other states and territories, simply ask the retailer or service provider if they will accept your NT Seniors Card before you make a purchase.
